Transform Your Classroom with the Teacher Academy in Character Education

The Teacher Academy in Character Education (TACE) is a year-long cohort designed for early childhood, elementary, and secondary teachers. Led by top educators and character education experts, the academy empowers teachers with the tools they need to transform their classrooms into collaborative learning communities where every student is challenged academically and feels a true sense of value.

Curriculum & Core Topics

The program covers foundational frameworks and practical classroom strategies, including:

Character Education History & Frameworks: Understanding the critical "why" behind character development.

The ABCs of Character: Focusing on fostering Autonomy, Belonging, and Competence.

Classroom Foundations: Implementing class meetings, classroom norms, and core values.

Student Development: Cultivating intrinsic motivation, specific character traits, goal setting, and reflection.

Character Education Curriculum Integration: Practical instructional strategies and service learning.
