

CHAMPIONS FOR Character

SERVICE LEARNING RECOGNITION

The Power of Service Learning

Cardinals Care has sponsored the Champions for Character Service Learning recognition program in cooperation with CharacterPlus since 2004. The goal is to increase awareness of the benefits of service learning and encourage schools to move from one-time service projects to more long-term, schoolwide service learning. Champions for Character raises awareness about the value of schoolwide Service Learning, recognizing schools that serve as outstanding examples of implementation. The program honors schools in the metro area that have developed a schoolwide ethos of service learning that is infused in the curriculum and includes student voice and reflection.
